QUT Wiki: Getting started

QUT Wiki (Confluence 5.2) Quick Reference Guide

Logging In

The 'Log-in' button can be found to the right of the 'Search' box, below the 'a university for the real world' image.

Adding Pages, Blogs, Bookmarks

To 'Add' pages, blogs, bookmarks, etc., go to the 'Create' button, which is in the header bar below 'QUT Wiki'.

Wiki Markup Editing

To insert Wiki Markup into a page, go to 'Edit' page mode. Click the '+' symbol and select the 'Wiki Markup' option.
Note: This option will revert to Rich Text Format (RTF) and will not retain Wiki Markup after hitting insert button.
